IFH PC Financial Policy

We would like to thank you for choosing Infusion for Health as your healthcare provider. Infusion for Health is committed to providing you with the best possible medical care. The following information outlines your financial responsibilities related to payment for professional services. By signing this document, you agree to the terms and conditions outlined in our financial policy.

For Our Patients with Medical Insurance Benefits:

We participate in most major health plans. We have contracts with many PPO's, insurance companies and government agencies including Medicare. Our business office will submit claims for any services rendered to a patient who is a member of one of these plans and will assist you in any way we reasonably can to help get your claims paid. It is the patient's responsibility to provide all necessary information before leaving the office. If you have a secondary insurance, we will automatically file a claim with them as soon as the primary carrier has paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request.

Please bring your insurance card with you at the time of your appointment.

If you are insured by a plan we do business with but don't have an insurance card with you, payment in full for each visit is required until we can verify your coverage.

If a patient is a member of an insurance plan with which we do not participate, payment in full is due at the time of service.

If there is a change in your insurance, it is your responsibility to inform us of this change immediately. Lack of communication in change of insurance will be your responsibility and require a payment in full before the next treatment is rendered.

Deductible/Co-insurance

We require the collection of your applicable deductible or co-insurance, as required by your insurance at the time of service. For your convenience, we accept cash, checks or the following credit cards: Visa, MasterCard, Discover and American Express. If you do not have your agreed upon payment, your appointment may be rescheduled. This amount will be estimated before your appointment and will be collected at the time of service. Any outstanding balance on your account, after adjusting for all your insurance's responsibilities, will be billed to you. **Enrollment in a medication co-pay assistance program is the only exception to this policy.**

Waiver of Patient Responsibility:

It is the policy of Infusion for Health to treat all patients in an equitable fashion related to account balances. The practice will not waive, fail to collect, or discount coinsurance, deductibles, or other patient financial responsibilities in accordance with state and federal law, as well as participating agreements with payers. Full or partial financial responsibility may only be waived in accordance with the practice's Charity/Free Care Policy.

Non-Covered and Out of Network Services:

Medical services that are considered by your insurance company to be non-covered, out of network, or not medically necessary will be your responsibility.

Coverage Changes:

If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive you maximum benefits.

For Our Patients with No Medical Insurance:

If you do not have group or individual medical insurance, payment for all professional services is expected at the time of your visit. Please note, we do offer discounted fees for patients without health insurance.

- **Payment Plan Option:**

Please let us know if you are having difficulty paying your account. We may be able to help you by setting up a payment plan based on your financial hardship, call (805) 413-9000 for assistance.

Late Arrivals:

A patient who arrives more than 15 minutes after his/her appointment is considered a late arrival. A late arrival, not considered to be the responsibility of Infusion for Health, will be registered and worked into the schedule as soon as possible. If the patient is more than 30 minutes late, the appointment may be rescheduled.

Appointment No-Shows:

Any patient who fails to arrive for a scheduled appointment without canceling the appointment at least 24 hours prior to the scheduled time is considered a “no-show”. **Please allow 24 hrs. to change or cancel your appointment to avoid a \$50.00 cancellation fee.** A patient who fails to present themselves two times for scheduled appointments is considered a chronic no-show. A patient who is a no-show three times may be dismissed by Infusion for Health.

Delinquent Balance Appointment:

Patients with a delinquent balance are required to make payment in full for future services. A delinquent account is defined as a patient balance **in excess of 120 days** if the patient has not made any payment or sought assistance via financial hardship during this time. If such payment is not made, services may be refused.

Non-payment:

All patient responsible balances that remain delinquent after 90 days, with no response to our requests for payment, may be referred to a collection agency. Please be aware that if a balance remains unpaid, you and/or your immediate family members may be discharged from this practice. If this is to occur, you will be notified by regular and certified mail that you have 30 days to find alternative medical care. During that 30-day period, we will only be able to treat you on an emergency basis. Thank you for understanding our financial policy. Please let us know if you have any questions or concerns.
