Patient Assignment

Thank you for choosing Infusion For Health. We are committed to providing you with the best possible care, including assisting our patients with understanding their financial responsibilities as it relates to the prescribed services. To ensure that you are familiar with our financial policies please read this document thoroughly and initial or sign where indicated.

Prior to your appointment, Infusion For Health staff will contact your insurance company to verify eligibility, coverage, and benefits. If active coverage is not available, Infusion For Health staff will contact you to review payment options for prescribed services. If prior authorization is required by your insurance plan, Infusion For Health staff will contact the insurance company to request authorization for services. To protect you from unexpected charges, services will not be rendered until we have verified active coverage and obtained any required prior authorization, or until we obtain a signed private payment agreement from you. Please remember to notify us prior to your next appointment of any insurance changes, such as when you change health plans, change employers, or your company offers a different health benefit plan.

Coverage, eligibility, and benefits are based on information provided by your insurance company. Checking coverage, eligibility, benefit information, and/or the fact that a service has been preauthorized is not a guarantee of payment. Benefits will be determined by your insurance company once a claim has been received. We encourage you to confirm this information directly with your insurance company. Your insurance carrier may need you to supply certain information directly. It is your responsibility to comply with their requests.

Infusion For Health is a participating provider with many commercial, Medicare, and Medicaid insurance carriers including managed care plans. We will bill the insurance carriers directly. You will be responsible for your share of cost as assigned by your insurance plan. These costs may include co payments, coinsurance and/or deductible payments. Enrollment in a medication co-pay assistance program is the only exception to the share of cost policy. All health plan payments should be directed to Infusion For Health for direct payment. You should notify Infusion For Health immediately if health plan payments are made payable to you in error.

Our practice will not waive, fail to collect, or discount coinsurance, deductibles, or other patient financial responsibilities in accordance with state and federal law, as well as participating agreements with payers.

Telehealth Visits:

A telehealth visit will be scheduled for all new patients or patients receiving a new drug therapy. These visits are scheduled so the practitioner can review the plan of care, provide education, and prepare patients and their families for the first appointment in the clinic. These are essential for the success and safety of the patient. Telehealth visits will be billed to your insurance plan. Please contact your insurance carrier for information on any out-of-pocket costs associated with telemedicine.

Financial Responsibility (PLEASE READ & INITIAL):

I acknowledge that I am financially responsible for all services rendered on my behalf for which a charge may be associated. I accept personal responsibility for all co-payments, deductibles, coinsurance, and non-covered services, as dictated by my insurance coverage. I acknowledge that if any services provided by Infusion For Health are not covered by my insurance plan for one or more reasons, including but not limited to, exclusions from my insurance plan or funding limits with my insurance plan, out-of-network provider, and/or failure to provide updated insurance information, I will be responsible for the full charge of all services. I acknowledge that cancelation fees are not billed to insurance carriers, and I agree to be financially responsible for those fees.

Initial _____

To ensure you are not billed in error you must inform Infusion For Health of any active Medi-Cal or Medicaid coverage prior to services being rendered.

Assignment of Benefits (PLEASE READ & INITIAL):

I hereby assign all benefits of my insurance and other funding sources to Infusion For Health for services rendered. I accept financial responsibility for all charges if I do not have medical insurance or if my medical insurance does not reimburse Infusion For Health for services provided. I understand that the services provided may not be covered by my insurance plan and that my insurance may assign to me a share of cost. I elect to proceed with service with the understanding that I may be personally responsible to pay for the service being rendered to me.

Initial _____

Cancellation Policy (PLEASE READ & INITIAL):

Please contact our office 48 hours in advance if you are unable to keep a scheduled appointment. Patients who arrive more than 15 minutes after their scheduled time may be rescheduled and a cancellation fee may be charged. **If you miss a scheduled appointment time, or you fail to cancel/reschedule 48 hours in advance, you may be charged a \$50 cancellation fee.** Rescheduled appointments are subject to provider availability and may be disruptive to your care.

Initial _____

Infusion for Health will invoice you for any outstanding balance once your insurance plans have completed processing your claims. This can take up to 30-45 days for each plan you are covered under. Itemized statements for accounts with no balance owed will be provided upon request only.

I, the undersigned, acknowledge that I have reviewed and understand the financial responsibility policy as stated above. If my account balance becomes overdue and is placed with a collection or legal agency, I agree to pay all attorney or collection agency fees associated with my delinquent account.
